- 
- Providing opportunities for NCS students to learn and interact with their Chinese-speaking peers in school or outside school (e.g. engaging NCS students in uniform groups or community services) (please specify):

Our school organises different uniform teams, such as Brownies and Cub Scouts for NCS students to join. They participate in flag selling and raffle tickets selling activities, which cultivate their willingness to help others and serve the community. Additionally, NCS students are given the opportunity to serve as ceremonial guards in the school flag-raising and graduation ceremonies. These experiences help cultivate their sense of responsibility and foster the spirit of mutual assistance and love.

- Other measure(s) (please specify):

Our teachers let NCS students help organise Chinese Culture Week booth activities. Through designing these activities, students have the opportunity to gather information on traditional Chinese culture so that they can share their knowledge of Chinese culture, traditional customs, clothing, food and language. Their involvement deepens students' understanding and interest in Chinese culture.
